State Song of Vermont: These Green Mountains, 1999

These green hills and silver waters
Are my home. They belong to me.
And to all of her sons and daughters
May they be strong and forever free.
Let us live to protect her beauty
And look with pride on the golden dome
They say home is where the heart is
These green mountains are my home.
These green mountains are my home.

Thank you for joining us to celebrate Alexander Twilight and all of his accomplishments. We would like to thank our sponsors:
