Thank you, one of the best days of the summer! [The] Old Stone House Museum & Historic Village is perfect... we will continue to support. I only wish we could have stayed longer. Thank you for providing an opportunity for my children to learn and grow.

Please consider planned giving and discuss with us all the ways your generosity could fuel our future of preservation, education and inspiration.
We have many types of gifts to choose from, and three funds to contribute toward.

- Help us **preserve** with our *Alexander Twilight Legacy Fund* for buildings, grounds and collections.
- Help us **educate** with our *Wharton Fund* for education.
- Help us **inspire** with our *Unrestricted Fund*, which supports everything we do.
