

KIDS' FRIDAYS'

AT THE OLD STONE HOUSE MUSEUM
10:30-12:30, DROP IN, BY DONATION FOR
FAMILIES WITH CHILDREN 3 TO 13+

August 18th

The Brownington Historic Village, Grammar School was built in 1823. Join us as we continue to celebrate the Grammar School bicentennial with our schoolhouse re-enactment activities. Visit with school teacher Maya and learn a bit of cursive and calligraphy or simply play around with quill pen writing.

Additional Open Studio projects will include clay pot making, environmental games and more!

August 25th

We will end our summer Kids' Fridays' the Vermont Garden Network. Join Cedar and the **Veducation Van** for a taste test of Mediterranean salad with sauteed toppings and dressing made with fresh ingredients from the garden, and a discussion of how our garden can feed our internal gardens: our microbiome!"

Additional open studio projects will include a harvest project and some of our season favorites.
